How Can Hills Community Care Help?

Our qualified Occupational Therapist assists people with home safety assessment focusing in the strengths and abilities of individuals to complete tasks at home.

We provide specialist advice and recommendation with mobility aids tailored to your needs such as assistive devices including raised beds or chairs, bath boards,

shower chairs, dressing sticks, personal alarms to name a few.

We also offer information and training to assist with preventing falls, fatigue management and memory aids along with recommendations for home modifications in your home.
